

6TH GRADE

Newsletter

FOR THE MONTH OF: MARCH/APRIL

Learning Updates:

- Math: We are currently in our Geometry Unit. We are working on finding the area of irregular shapes and practicing with coordinate points!
- We have begun our poetry unit! We will be writing and reading many different types of poetry this month.
- We are studying invasive species in our science class this month. We will also be learning how to use Google slides!

Announcements:

Our 6th Grade Graduation Mass and Dinner is scheduled for May 18th, 2022 at 6:00 pm. You will be receiving invitations with more information soon!

Please send in 4-6 photos of your sixth grader for the sixth grade slideshow!

A NOTE FROM MISS. ACOSTA

Just a Reminder! For homework each night, students will have one passage from their Science Simple Solutions Book, one passage from their Reading Comprehension Simple Solutions Book, and one page of math homework.
