NEWSLETTER

Saturday

Last week we learned about lent and what it meant, and also why we celebrate it. We did Lent butterflies and water paint cross's.

In math we learned numbers 1-5, I sent a blue folder on Friday, for parents to see the work we had done during the week.

Our Behavior chart was sent home on Friday as will, if you haven't returned it or received your children please let me know so I can send it home Tomorrow or Wednesday.

Please remember that we have mass every Wednesday, have students at school before 8am, this will allow us to use the restroom before leaving to mass.

Also this week instead of receiving a prize at the end of the day they will receive it at the end of the week. I talked to the students and they were very understanding.
